

# Brazil Weekly

## POLITICS

1. Brazil's Superior Court of Justice (STJ) is investigating a former Bolsonaro-aligned governor of Mato Grosso for a loan from Master.
2. Pressure is growing for Jaques Wagner to step down as government leader, and the PT (Workers' Party) caucus is debating a replacement.
3. Novo attempts to unite in favor of Zema after rebellion in Santa Catarina by Bolsonaro supporters.
4. Bolsonaro testifies for 5 minutes and says he asked a military officer for help after realizing his weapon wasn't working, according to his defense team.

## DEFENCE

## FOREIGN AFFAIRS

1. Flávio states that he will attend the hearing in the US to 'defend' Brazilian companies against the 25% tariff.

## HEALTH

1. Brazilian health agency Anvisa approves new oral medication for breast cancer.

# Brazil Weekly 17 June - 24 June 2026

## ECONOMY

1. Brazil will have its first customs office in Asia with the installation of a tax attaché in Beijing.
2. The government gains a reprieve to try and block a controversial bill in the Senate with a potential impact of R\$ 30 billion.

## EDUCATION

1. Artificial intelligence is already linked to nearly 3,000 scholarships and projects in the country.
2. New rules for teacher training include AI in the curriculum and live online classes at low-rated institutions.

## SOCIETY

1. New satellite images with six times greater precision should redefine environmental monitoring in Brazil.
2. Following a surge in cases of online violence, the government has included virtual rape on the Hotline 180

## INTERNAL SECURITY

1. CNJ creates rules for granting judicial authorization to children and adolescents in monetized content.
2. At an event with state police commanders, Nunes launches a public app for reading car license plates and a helicopter with cameras.
